

Product Information

Application Tape based on a special impregnated paper with a release coat on one side. The tape is suitable for transferring lettering and symbols cut from all qualities of self adhesive vinyls.

The aging and UV stabilized natural rubber adhesive offers a high immediate tack and can be removed smoothly and without leaving residue even after longer periods of application:

- The carrier paper is semitransparent and offers good layflat properties and dimensional stability.
- Ageing- and UV-stabilised natural rubber.
- Due to the release coating on the carrier paper, the whole roll unwinds easily.
- Suitable for wet application.
